

# ANNA BLUME

## SYNOPSIS

Anna Blume is a visual poetry about the lust of a man chasing a woman. The story takes on surreal journey dictated by the mind of the poet. Lust and ingestion, disguised in love, drive the two characters to an end where love turns to be a very lonesome and out of things place. The film is based and inspired by the emblematic love poem from 1919 "An Anna Blume" by Kurt Schwitters.
